ADMINISTRATION

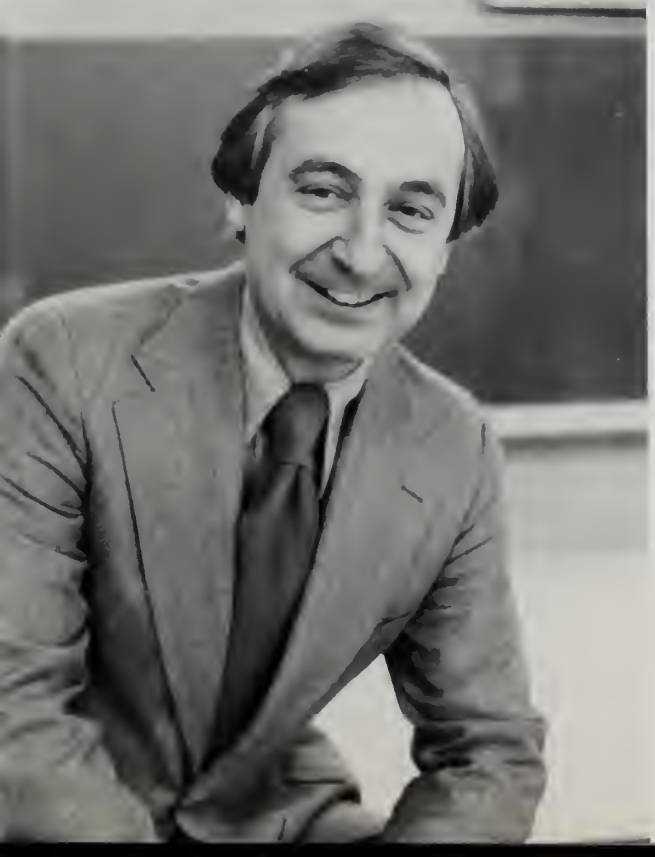
Never bow to authority, but always tip your hat.

UPPER RIGHT: Dr. John F. Maloney — "Let me introduce myself, I am your SUPER-intendent."

MIDDLE LEFT: John S. Blanchon — "Do you want to start explaining now?

MIDDLE RIGHT: Richard D. Stevenson — "And now for the two p.m. *morning* announcements."

LOWER RIGHT: Sumner A. McClain — "Are you serious? I figured you would have come with a better excuse than that."



LIBRARY, ART, MUSIC

Every genuine work of art has as much reason for being as the earth and the sun.

UPPER LEFT: Marion L. Clark — "Did I ever tell you about the time I almost got shot?"

UPPER RIGHT: Janet Eldridge — "Who are you? Where are you supposed to be?"

MIDDLE LEFT: Lester C. Fleishman — "We have no place for the spoons in our repertoire. Come back when soups on."

MIDDLE RIGHT: Ann Hughes — "You people are flat. It must be Monday."

LOWER LEFT: Frank Bryant — "What are *WE* doing today? Really . . . God love ya'!"

PHYSICAL EDUCATION

If all the year were playing holidays, to sport would be as tedious as work.

UPPER LEFT: Bruce H. Allman — "Smile and say FOOTBALL!"

UPPER RIGHT: Cynthia L. Smith — "I'm into transcendental meditation, want the number of my guru?"

LOWER LEFT: Katherina Decas — "40÷g — Of course we can go out!"

LOWER RIGHT: Gary W. Hall — "What are you doing up there? That's practically impossible!

PRACTICAL ARTS

The art of our necessities is strange, that can make vile things precious.

UPPER LEFT: Nelson Rebello — "Grading this term was easy . . . F+, F, F- . . ."

LOWER LEFT: Thomas A. Marsilli — "You have a splinter WHERE?"

UPPER RIGHT: Cynthia M. Atkins — "No, I wasn't supposed to sew this to my finger, smartie."

LOWER RIGHT: Miriam R. Eames — "Julia Child started out this way."

ENGLISH

As sheer casual reading matter, I still find the English dictionary the most interesting book in our language.

UPPER LEFT: Richard H. Kennedy — "I want to make this perfectly clear."

MIDDLE LEFT: Helen McGarry — "The magic words are . . . "You may go'."

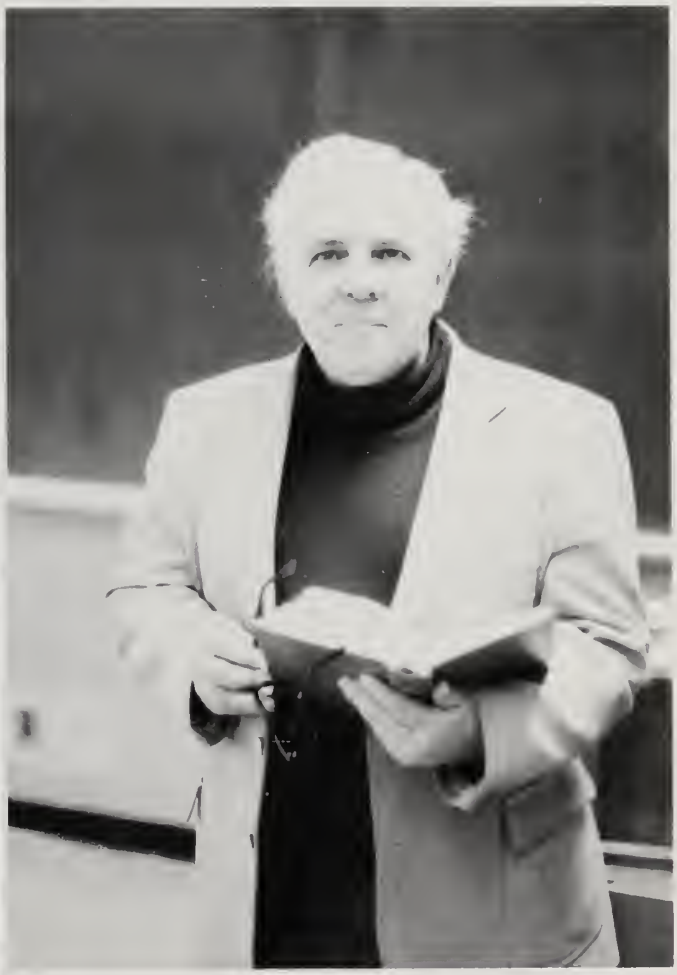
UPPER RIGHT: Ernest R. Blake, Jr. — "What's all this higgledy-piggledy you wrote on the board?"

LOWER RIGHT: Mary F. Renolds — "I've never heard that one before."

UPPER LEFT: Phillip A. Pane — "There's a little bit of devil in us all."

LOWER LEFT: Lynne Gattone — "I'm not trying to scare you but . . . I want lots and lots of detail."

MIDDLE RIGHT: Carlyle Newton — "And 020 student using Monarch Notes for this?!"



ENGLISH

UPPER LEFT: Emma R. Magro — "Can't you see I have work to do?"

UPPER RIGHT: Michael Murray — "What do you mean, do the New York Yankees suffer?"

LOWER RIGHT: Maureen Wartski — "Sharon High is a nice place to visit, so I decided to stay here."

Business? It's quite simple. It's other peoples money.

UPPER LEFT: Sandy Hoffman — "Only a minor injury . . . I got my hand caught in the carriage."

LOWER LEFT: John S. Germaine, Jr. — "Sandy and I carpool. We got caught in the same carriage."

UPPER RIGHT: Joseph Courteau — "No, you are not here to learn about loopholes and tax evasion."

SOCIAL STUDIES

So very difficult is it to trace and find out the truth of anything by history.

UPPER RIGHT: Everett G. Downing — "We will now learn how to color within the lines."

MIDDLE LEFT: George S. Anthony — "Those Freudian slips always catch up with you."

MIDDLE RIGHT: Robert F. Cunha — "Everybody is ignorant . . . now my kids . . ."

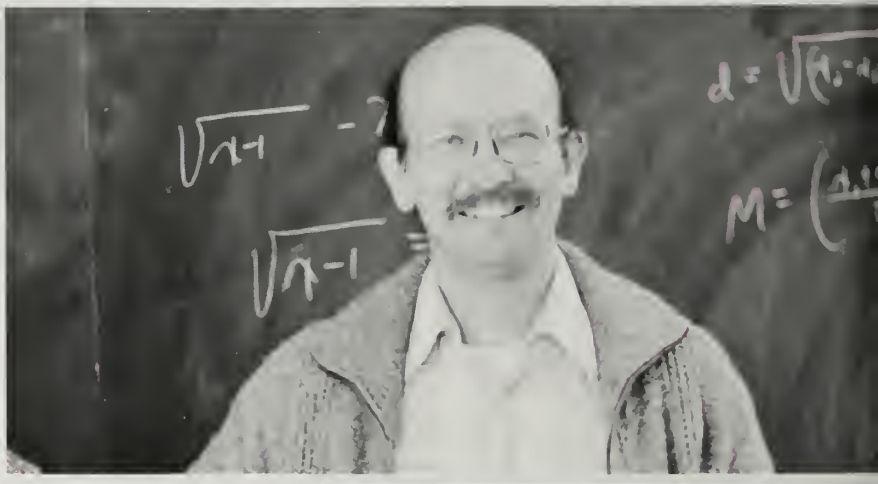
LOWER RIGHT: Gerald A. Plouffe — "If you don't study, your grades will plummet into a depression."

UPPER RIGHT: Fred P. LaChapelle — "Baby face, I've got the cutest little baby face."

MIDDLE LEFT: Lillian D. Savage — "Everyone is entitled to my opinion."

MIDDLE RIGHT: Peter Elefterakis — "Pepsodent gets my teeth their whitest."

LOWER LEFT: David Nelson — "A funny thing happened to me while I was shaving this morning."



MATHEMATICS

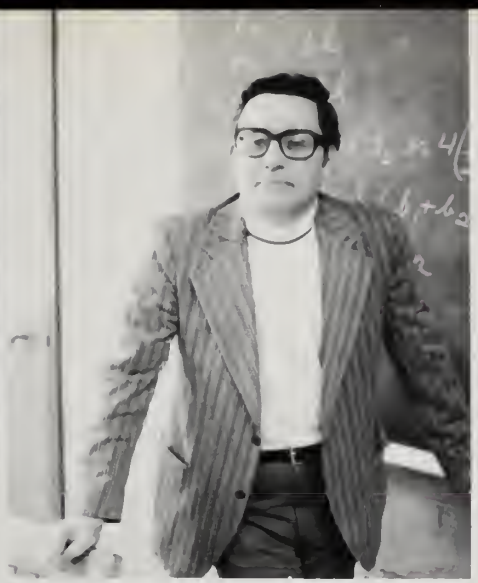
I've hardly ever known a mathematician who was ever capable of reasoning.

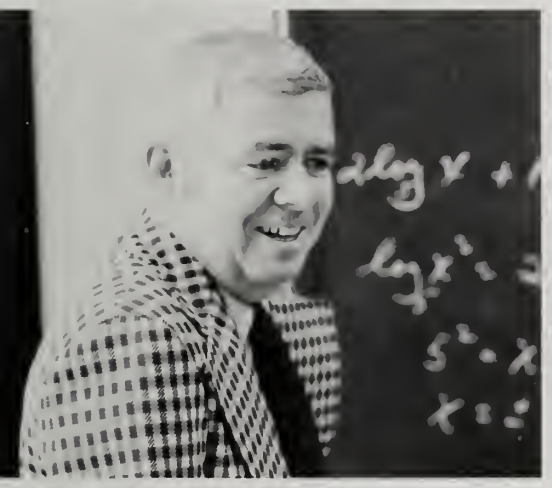
UPPER RIGHT: Linda DiVittoria — "Look at me, I'm Linda D."

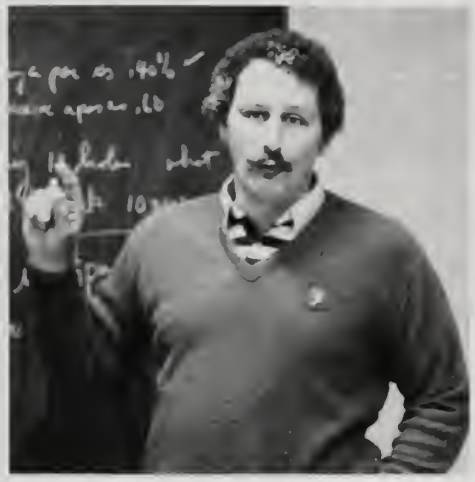
MIDDLE LEFT: Gail Nagle — "What do you mean you're not on the math team?"

MIDDLE RIGHT: Bill Therway — "To err is human, but you need a computer to really mess things up."

LOWER RIGHT: Steve Garneau — "You want to see my scars on my knees?"







UPPER LEFT: Michael J. Levine — "When my wife escapes, she goes disco, too."

UPPER RIGHT: Warren M. Kline — "All right folks, this has gone far enough."

MIDDLE LEFT: Basil F. Cronin — "Graphing is like love . . . it involves pairs."

MIDDLE CENTER: Joseph Cook — "*Why* are the golf matches always on school days?"

MIDDLE RIGHT: Jeanne Goldman — "Symetry . . . oh, there's two mm's?"

LOWER LEFT: Kathleen Schwartz — "Speaking of multiplication . . ."

Science

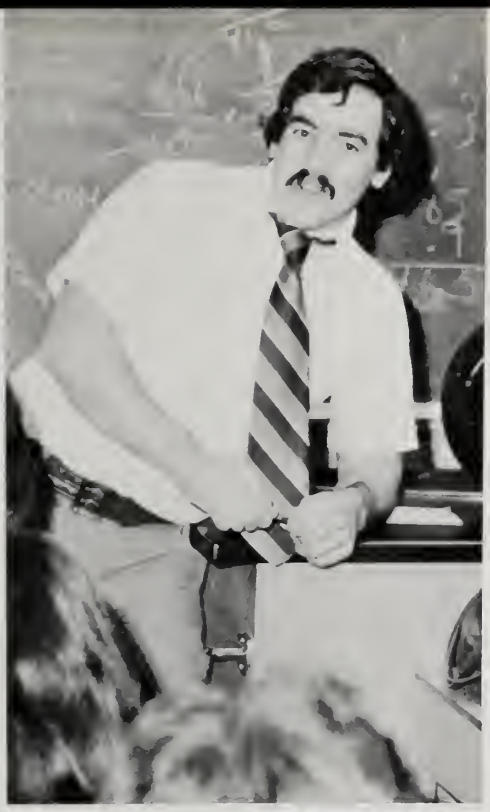
Science is the knowledge of consequences and dependence of one fact upon another.

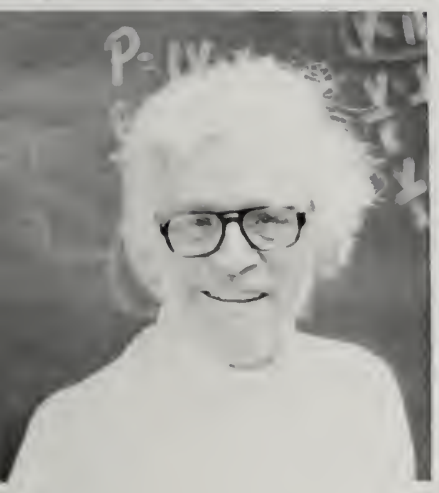
UPPER LEFT: James D. Regan III — "Meet Hildegard. Watch me make her eyes glow."

MIDDLE LEFT: Gloria Deutsch — "What do you *MEAN* you dissolved your lab partner?!?"

UPPER RIGHT: Arthur P. Richmond — "Uh-huh, flattery will get you everywhere."

LOWER RIGHT: Joan R. Trevas — "I've taught Spanish and biology. Next year I'll give business a whirl."





UPPER LEFT: Robert F. Ziniti — "You know what I like about you . . . ?"

LOWER LEFT: John Liberman — "*He's* not the head of the science department, *I* am!"

UPPER MIDDLE: Bernard Cotter — "This is biology, not hands-on training."

LOWER MIDDLE: Rene C. Houde — "Don't sing 'O Canada' if you don't know the words."

UPPER RIGHT: Dudley D. Davenport — "We won most of our games by a hair . . . mine."

LOWER RIGHT: Donald Bergeron — "Nobody calls me 'Donny' and gets away with it."

Language

Americans are people who prefer the continent to their own country, but refuse to learn its language.

UPPER LEFT: Alan G. Siegal — "Do I know Rosie Ruiz? We ran the marathon together!"

UPPER RIGHT: Roger C. Chappuis — "Leave it to a woman . . . "

LOWER RIGHT: Daniel K. Innes — "Rosie who?"

UPPER LEFT: Rina A. Garcia — "Rosie Ruiz? She from Cuba?"

UPPER RIGHT: Daniel M. Foley — "I can swim like Rosie Ruiz can run."

LOWER LEFT: Constance Samborski — "Rosie and I? . . . We went to school together."

MIDDLE RIGHT: Douglas MacDonald — "Must we discuss Rosie Ruiz?"

Guidance

Good counselors lack no clients.

UPPER LEFT: Marian Haley — "Now bricklaying isn't a *bad* career, it has some interesting fringe benefits."

UPPER RIGHT: Martha Rich — "I'm telling you for the *last* time, we have no more Snoopy bandaids!"

LOWER RIGHT: Eileen Fitzgerald — "I want to be your eemoootional rescue."

UPPER LEFT: Myles J. Marcus — "My three favorite pastimes are traveling, reading, and filling out college transcripts."

UPPER RIGHT: Joel B. Peckham — "Beisbol beeen beddy beddy good to me."

LOWER LEFT: Albert E. Soule — "I can't talk now, I'm going out for SOULE FOOD!"

LOWER RIGHT: Evelyn McMullen — "In my own little corner, in my own little world . . . "

Special Education And Reading

Education should be as gradual as the moon rise, perceptible not in progress, but in result.

UPPER LEFT: Raymond F. Cashman — "May I help you?"

LOWER RIGHT: Lynne Allen — "I'm 5 foot nothing, but when I teach I feel 10 feet tall."

LOWER LEFT: Barbara Cicchetti — "Hurry, I can't hold this pose very long."

UPPER RIGHT: Charles Pretti — "Do you think I'm sexy?!?"

UPPER LEFT: Barbara Dutton — "No, I'm not Debbie!"

UPPER RIGHT: Deborah Dutton — "No, I'm not Barbara!"

LOWER LEFT: Barry Knowles — "No, tiddely-winks does not qualify as part of the work study program!"

LOWER RIGHT: Patty Young — "Don't tell anyone who I am, I'm traveling incognito."

We've spent about nine months a year
Attending public school,
Doing all our homework
And living by its rule.

But now it's graduation time
And life is like a game.
We do a lot of laughing
Though it's just not the same.

For this year is our last, you see
And we must look ahead.
Cause there's a great big world out there
Just like our mothers said.

So here we stand — this bunch of kids
We're out of school for good.
Why don't we all feel super-psyched
Like we all know we should?

It's cause we've bid goodbye, today
To many of our friends
Whom some of us, it may well be,
We'll never see again.

And now we have a different life
A new one — starting now.
We have to learn to manage it
To make it work somehow.

But each of us, from time to time
Will stop and bend the rule,
By thinking back at all the fun
We spent at our high school.

IN MEMORIAM — BRIAN FRIEND

With his lighthearted smile and gleaming sea blue eyes, he brought laughter and a sense of joy to his many friends and classmates. When we look back on our memories of Brian, we realize how precious he was to us.
